

EYFS

- Learn your address off by heart.
- Use Where am I on the map? From Twinkl to find out the name of the town, county and country where you live.
- The UK countryside is amazing. Go on countryside Scavenger Hunt looking for plants and bugs. See Twinkl or make up your own.
- The UK cities and towns are also amazing. How many shops can you count in your local town?
- Imagine you are going on holiday. Where would you like to go? Make a pretend travel agents. Make aeroplane/bus/train tickets. Pretend to pack a suitcase for your holiday. What will you pack? You could use your couch as an aeroplane/bus/train and your teddies could be the passengers. Don't forget to check their tickets and give them a snack.
- Make your own treasure map. Label the different places on your map.

KS1

- Learn your address off by heart and write it down correctly.
- Use Where am I on the map? From Twinkl to find out the name of the town, county and country where you live.
- The UK countryside is amazing. Go on countryside Scavenger Hunt looking for plants and bugs. See Twinkl or make up your own.
- The UK cities and towns are also amazing. Compare how many shops and services are in your local town? A service is a bank, post office, hair dresser. You could make a tally chart.
- Imagine you are going on holiday. Where would you like to go? Make a pretend travel agents. Make aeroplane/bus/train tickets. Pretend to pack a suitcase for your holiday. What will you pack?
- Research your real or an imaginary holiday destination. What do they eat? What money do they use? What language do they speak? What are the famous sights. Plan activities for our holiday that you and your parents would enjoy.
- Make your own treasure map. Label the different places on your map. Add a key.

KS2

- Learn your address off by heart and write it down correctly. Use a map of the UK to name the neighbouring counties next to Essex.
- Use Where am I on the map? From Twinkl to find out the name of the town, county and country where you live.
- Learn about Rural Landscapes. The UK countryside is amazing. Go on countryside Scavenger Hunt looking for different birds or plants and bugs. See Twinkl or make up your own.
- The UK cities and towns are also amazing. Compare how many shops and services are in your local town? A service is a bank, post office, hair dresser. You could make a tally chart. Write a debate or explain why you would like to live in a town or city or in a village. You could use Twinkl 'Is it better to live in a densely populated area or sparsely populated one?'
- Research your real or an imaginary holiday destination. What do they eat? What money do they use? What language do they speak? What are the famous sights. Plan activities for a holiday that you and your parents would enjoy. Write a persuasive argument to persuade your parent to take you to your chosen destination and make it into a power point.
- Make your own treasure map. Label the different places on your map. Add a key and compass points.
