Dear Parents and Carers,

Autumn Term Extra Curricular Provision

As school life begins to return to some normality we would like to offer a full extra-curricular programme for your children and invite you to join in a few yourselves.

We have worked hard to provide sports opportunities as well as music and extra curricular opportunities that promote a curiosity in the natural world.

Each club will run half-termly; these dates may vary from club to club due to bank holidays and non-pupil days. We will initially be capping the numbers that can attend the club depending on the nature of the activities.

In the past, we have not asked for a contribution towards these clubs. However, we now ask for a nominal fee to cover resources etc associated with running clubs to fund these opportunities. The cost of this half term block for each activity is detailed below.

We would love to see as many children and parents as possible participating in the wide selection of clubs we have on offer.
