13th September 2021

Dear Parents/Carers,

With the start of a new academic year, Governors, staff and pupils have already begun to work on the priorities for the year and have written what is known as the 'School Development Plan'. With this in mind, we would like to invite parents to attend a meeting on Monday 20th September, between 6.00pm and 7.00pm to hear about the ambitions of the school for this academic year at a 'live' meeting in school.

Additionally there will be an opportunity to hear from the PTA about the fantastic work they do in school and how you can get involved in making a difference to the children of Woodham Walter C of E Primary School.

However, we appreciate that the threat of Covid is still present in our local community. Therefore if you would prefer not to attend the meeting live but would instead like a summary of the presentation made by senior leaders we will provide this for parents/carers who are either unable to attend or those who would prefer not to at this stage.

Please indicate on the form below if you would like to attend this meeting or if you would simply like to be provided with a summary of the evening.

We look forward to seeing you either at the meeting or at the school gates over the next few weeks.

Yours sincerely

Mr P Brown
